

Naaman Network is an integrated network of providers committed to helping individuals overcome substance use disorders. We serve communities across Pennsylvania, Ohio and Delaware with person-centered, evidence-based treatment. Our coordinated approach promotes long-term recovery, empowering people to rebuild their lives and reconnect with their families and communities.

Withdrawal Management (3.7wm)

Our dedicated medical team provides a safe, clean, and effective detoxification to help individuals come off their DOC (drug of choice).

Clinically Managed Residential (3.5)

Comprehensive, evidence-based SUD curriculum. Our patients reside at one of our two inpatient locations in PA.

Outpatient | IOP (2.1) & OP (1.0)

We offer both intensive outpatient and general outpatient services. These comprise of group and individual therapy sessions.

Youth Counseling

Youth ages 14-17 are able to participate in their own age-appropriate group and work with a counselor who has specialized training to counsel youth.

MAT

We provide MAT services to help our patients and clients find life long sobriety utilizing anti-craving medication to help solidify their recovery.

Medication Management

Services for those with co-occurring disorders or a primary mental health diagnosis.
